A Program of UrbanPromise Ministries, Inc.

Dear Parents,

We are thankful that you have shown interest in our school.

Your child is a unique and special gift from God. Recognizing this can create an enormous sense of responsibility as you seek to guide your child from infancy to independence as a young adult. We at The Urban Promise School desire to help you in this process, for we too have a God-given responsibility towards your child. We view ourselves as partners with you in promoting your child's healthy development.

UPS is committed to excellence. We seek to create a school environment that will place emphasis on strong basic academic skills, that is dedicated to teaching Biblical values and principles, and that fosters a warm, caring environment. Our goal is to develop well-rounded youth who will be an asset to their families and contribute as leaders in their community.

We hope you will decide to covenant with us to enable your child to reach his or her full God-given potential.

You are most welcome to call or visit the school if you have questions or would like to see our program first-hand.

**Sincerely,
Catherine Dolan
Head of School**

STATEMENT OF FAITH

WE BELIEVE...

...that the Bible, composed of the Old and New Testament, is inspired of God and is of supreme and final authority in faith and life.

...in the Holy Spirit as the vital element in the revelation and operation of Christian faith.

...in one God eternally existing in three persons – Father, Son, and Holy Spirit.

...that Jesus Christ was begotten of the Holy Spirit and born of the Virgin Mary, and that He is true God and true man and is the only sufficient Mediator between God and mankind.

...that people are created in the image of God and that they sinned and thereby incurred spiritual death.

...in the vicarious death of the Lord Jesus Christ for our sins, in the resurrection of His body, His ascension into heaven, and His personal and future return to the earth; and that salvation is received only through personal faith in Him.

...that a New Testament Church is a body of baptized believers, associated for worship, service, the spread of the Gospel and the establishing of the Kingdom in all the world.

Based upon this statement of faith, the mission and vision of The Urban Promise School is the following:

The mission of The Urban Promise School is:

To provide excellent Christian education for at-risk youth in both academic and life skills components, focused on leadership development.

The vision of Urban Promise School is:
