... Overview of UrbanPromise...

Our Vision is to be a community in Christ of servant leadership and transformation, seeking a full life for all involved: urban youth, families, volunteers and staff in the neighborhoods of our city.

The mission of UrbanPromise Wilmington is to equip children and young adults through Christ with the skills necessary for academic achievement, life management, personal growth and servant leadership.

We meet these things through after school programs, summer camps, a job training program, an elementary school, a high school, and many other ways.

How You Will Spend Your Week:

Each group spends approximately half of each day working with children in our camps. They will assist our staff by:

- Helping run activities
- Working with one or more kids on homework

The morning will be spent in various physical labor projects. These projects vary considerably and may include the following:

- Light building renovations
- Building maintenance & landscaping
- Neighborhood cleanup projects with the city of Wilmington

The week will also include:

- Worship with UrbanPromise staff
- Morning devotions with an UrbanPromise staff member, and evening devotions with your group
- Panel discussion with some of our teens to increase awareness of urban issues

"I came to serve but was blessed, challenged and taught. An intern and a StreetLeader were constant reminders of faith to me. May God and the Holy Spirit continue to bless their lives and all they lead."

10 things to know about your week with UrbanPromise

1. Your time is a gift to us, and we appreciate each thing you do; putting in a new sidewalk, picking up the trash, coloring with a kid, or praying with us.
2. You will be sleeping on the floor; bring what you need to be comfortable.
3. Showers in the afternoon are at the YMCA; bring shower shoes and be prepared to walk 2 blocks (5 minute walk)
4. At camp, kids are looking up to you. Be ready to set a positive example.

5. We do not have the staff and tools to be able to handle the food; bring whatever food, tools and supplies you will want. Think easy breakfast, bagged lunches, and a time to cook with your group.
6. Some times the best moments are those we sit and talk with one another. Be in the moment and enjoy your time with those around you!
7. Look forward to those 10-minute car rides when you're driving your crew to camps or work projects. It's a great time to ask how things are going!
8. Supplies will be provided for work projects. If you have ideas for a larger project you would like to tackle, communicate with the Work Team director your hopes and feel free to bring the funds or materials to complete the work.
9. A couple of evenings will be free. Bring games or look up places to see.
10. God is always moving around you. Keep your eyes open and share what you see!
